Connects the news to where you live.

Stories and Columns

It's not enough to give readers the AP headlines of the day. Scripps Howard News Service breaks national stories and provides analysis and context to bring national news into focus for local readers. All content is available on the wire and on the web.

SHNS finds the local angle that brings these topics home to where your readers live: ***Education, Health and Science, Environment/Sprawl, Home and Garden, Food, Fine Living, Business, Entertainment, Family, Homeland Defense, Hispanic Issues, Money/Personal Finance, Personal Technology, Religion and Sports***.

Photos and Graphics

SHNS provides news and feature photographs and informational graphics to accompany daily stories, along with paginated pages for special news events.

All SHNS photos are archived in a searchable database on our deadline-friendly Web site at www.shns.com.

Special Services

At no extra cost, SHNS clients receive timely annual packages: ***Brides, Gardens, Home, Summer Vacation, Back to School, Consumer Electronics, Christmas Gifts, Fitness, NASCAR, Baseball, Football, Basketball and Olympics***.

Southam Publications Inc.

Paginated Comics Pages for Newspapers
United Media has partnered with Southam Editorial Services to provide newspapers with high-quality paginated comics pages with an editorial focus.

Southam Editorial Services is an independent newspaper company that has been creating paginated feature pages for newspapers since 1998. Southam's pagination service is run by an editorial staff, ensuring attention to detail and proper proofreading. The comics and features (puzzles, crosswords and columns) are laid out according to your newspaper's individual template. These features are programmed to flow into the template, minimizing labor and potential for error while allowing you to maintain editorial control over the content of your pages.

Southam provides the most reliable, efficient pagination service available at the most reasonable cost. United Media handles all sales and customer service. **Call to set up a free test. 800-221-4816.**

HIGH-QUALITY PAGINATED PAGES WITH AN EDITORIAL FOCUS

UNITED MEDIA AND SOUTHAM EDITORIAL SERVICES provide newspapers with high-quality paginated comics pages with an editorial focus.

Southam Editorial Services has been creating paginated feature pages for its own Southam newspapers since 1998. Southam's pagination service is run by an editorial staff, ensuring attention to detail and proper proofreading. The comics and features (puzzles, crosswords and columns) are laid out by Southam according to your newspaper's individual template. These features are programmed to flow into the template, minimizing labor and potential for error while allowing you to maintain editorial control over the content of your pages.

Southam provides the most reliable, efficient pagination service available at the most reasonable cost. United Media handles all sales and customer service.
